

Serial No. 10/664,241

REMARKS

Claims 7 and 9 have been amended.

The Examiner stated that the drawings are objected to under 37 CFR 1.83(a) because the two side discs "mounted concentrically on opposite sides" of the main disc as set forth in claims 7 and 9 must be shown in the drawings.

Responsive to this, the term "concentrically" in claims 7 and 9 has been deleted, and no drawings are amended. The drawings including Figs. 7 to 12 show two side discs (50,50') mounted on opposite sides of the main disc (10), so applicant believes that the objections to the drawings have been overcome.

After the amendment to the claims, applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Jonq-Shyan Wu et al.
